

## Sample training for prison staff

### Child Protection in a Prison Environment

Families Outside also advises prisons on child-friendly facilities and offers training on different aspects of children visiting prisons, including child protection. This allows the learner to have the underpinning knowledge needed to help improve, develop and maintain good practice in relation to safeguarding children visiting prison.

### Learning Outcomes

By the end of the session, participants will be able to:

- Demonstrate knowledge of current child protection policies
- Understand what child abuse is and identify the different categories and fundamental risk factors of abuse
- Follow the procedure if they suspect a child is being abused or if a disclosure is made
- Provide good practice in protecting children visiting a relative in prison.
