
HMP GLASGOW – VISITOR & FAMILY NEWSLETTER

HMP Glasgow

- ◆ HMP Barlinnie will be replaced by a new facility, HMP Glasgow.
- ◆ The design and construction of HMP Glasgow is scheduled to be complete in Summer 2026, with the prison opening Winter 2026.
- ◆ A site for HMP Glasgow has been acquired to the east of Glasgow City Centre. This site was previously Provanmill Gas Works and is less than one mile from HMP Barlinnie.
- ◆ HMP Glasgow Project Team, based at HMP Barlinnie, has been established.

Information Station

A HMP Glasgow 'Information Station' has been set up in the Visitors Waiting Area. This will be updated with information and pictures as the planning, design and build of HMP Glasgow develops. Project Officers will also attend the Visitor Waiting Area periodically to discuss and answer any questions.

User Voice

To inform the design of HMP Glasgow, the Project Team is currently undertaking a range of 'user-voice' engagement activities. This includes focus groups and interviews with staff, individuals in custody, partner agencies and families / visitors.

We are hoping to speak with family members and visitors to discuss your experiences of visiting, the facilities you would like to see, the activities that should be available and what resources, services and support would be beneficial for visitors.

How Visitors Can Get Involved

- ◆ **Suggestion Box** – There is a suggestion box located next to the Information Station. Please complete a 'Suggestion Slip' and place in the secure box. You can also use these to ask questions, which we will answer through the Information Station.
- ◆ **Interviews** – We hope to speak to family members and individuals who visit HMP Barlinnie. If you would be willing to speak with someone from the Project Team individually, please write your name and preferred contact details on a 'Suggestion Slip', and we will arrange a time to discuss with you.
- ◆ **Surveys** – At different times, we will place surveys at the Information Station for you to contribute your thoughts. Once complete, these should be placed in the suggestion box.

Suggestion slips and surveys can be completed anonymously if you would prefer.
